Tel: +2348022912220

Names of Principal Investigators: Prof. Oladapo Olayemi and Dr. Folasade Adenike Bello  
Addresses of Principal Investigators: Department of Obstetrician & Gynaecology  
Faculty of College Medicine

Name of Principal Investigator: Prof. Catherine Falade  
Address of Principal Investigator: Department of Pharmacology & Therapeutics  
Faculty of Basic Medical Sciences 609151  
Email: [lillyfunke@yahoo.com](mailto:lillyfunke@yahoo.com)  
Tel: +2348023

Date of receipt of valid application: 08/05/2020

Date when final determination of research was made: 21/05/2020

**Notice of Full Committee Review and Approval**

This is to inform you that the research described in the submitted protocol, the consent forms and other participant information materials have been reviewed and given full committee approval by the National Health Research Ethics Committee.

This approval dates from 21/05/2020 to 20/05/2021. If there is delay in starting the research, please inform the HREC so that the dates of approval can be adjusted accordingly. Note that no participant accrual or activity related to this research may be conducted outside of these dates. *All informed consent forms used in this study must carry the HREC assigned number and duration of HREC approval of the study. If this is a multi-year research, endeavour to submit your annual report to the HREC early in order to obtain renewal of your approval and avoid disruption of your research.*

*The National Code for Health Research Ethics requires you to comply with all institutional guidelines, rules and regulations and with the tenets of the Code including ensuring that all adverse events are reported promptly to the HREC. No changes are permitted in the research without prior approval by the HREC except in circumstances outlined in the Code. The HREC reserves the right to conduct compliance visit to your research site without previous notification.*
